KENNEDY SCHOOL BUS INFORMATION [2026/2027]

FAQ for Bus Users

Q1. Can the bus wait at the stop if the bus arrives prior to the schedule or the student(s)/parent(s)/guardian(s) late at the stop?

Normally, our bus will not arrive prior to the pickup time. However, traffic sometime is difficult to manage to arrive in exact minute/second or to wait on the road, KCM thanks parents and students to be at the designated pick-up/drop-off point **at least 5minutes prior to the schedule time** and bus will leave the stop on time or once the registered nos. of students are boarded or to leave if parents/guardians are not ready at the drop off point to avoid traffic disruption for other road users. Parents may keep track on the instant bus location via “**Kwoon Chung School Bus**” iphone/android apps or to call **3193 9366** for assistance.

In case parents/guardians are not at the stop for student(s) after the schedule time given, for safety, student(s) will be remained on board and the bus will continue the rest of journey. Kwoon Chung will contact parents and decide necessary arrangement(s) - either parent pickup at the last stop or student(s) will be sending back to school/Kwoon Chung's office, and student(s) will never be left unattended on the road.

Q2: Why school bus service only have round trip option but no single trip?

Since the service is shared by the registered students with the lowest costs possible for all parents, KCM maintains KSPTA structure from academic year 2020/2021 with the service option (round trip service only) and long/short route fees without significant change for service consistency and stability.

Q3. Why no afterschool activities bus service is available?

Similar to Q2 above, KCM keeps the former KSPTA service structure from academic year 2020/2021– without afterschool activities to be provided. KCM believes the rationale for no afterschool activities buses available by KSPTA at that time was due to insufficient no. of students to form the bus route with scattered bus stops. It might also due to additional bus fee require for afterschool activities buses for additional batch of buses, drivers and escorts in which might not cost-effective for parents. KCM could constantly review with parents and Kennedy School if change required to convenience parents at reasonable costs for parents and KCM.

Q4. There are no proposed stop near to my residential address, can I make a request for a new stop?

This transportation service is NOT a door-to-door one, but safe and convenient stops would be suggested for parents' consideration. Parents may submit the suggested pick-up and unload via the bus registration system and KCM will review and try the very best and see if the additional stop(s) could be made. Usually, if the suggested point(s) is(are) along the existing route, will have higher chance for creating a new stop and all the current and existing stops are based on Kennedy School's catchment areas, which are mutually agreed by KCM/Kennedy School since 2020/2021 academic year.

Bus routings and no. or size of the buses will be determined by the actual applications parents submitted. For each new school year, after the application deadline, KCM will work on the final schedule with the actual no. of applications and the latest request on school hour(s) by Kennedy School to make necessary arrangement on the pick-up time and unload time etc., and the routings usually will be maintained throughout the academic year unless massive change on the no. of bus users.

Q5. Can students change buses afterschool for playdate?

For safety of all students (both walker and bus users) and punctuality of the bus users, with limited 15mins dismissal time for students bus boarding, KCM and Kennedy School mutually agreed that to avoid potential bus delay for departures with any uncertainties of the bus number by students/parents, or if consent was given by parents/guardians regarding bus change etc., and to respect all bus families might have personal/family afterschool arrangement based on the drop off time given, all registered students are only allowed to take the designated bus route and KCM thanks parents kind understanding on no change of buses policy for students afterschool will be allowed (e.g. for playdate etc.).

Q6. Can parents take school bus to school for parent meeting/volunteer?

KCM and Kennedy School mutually agreed that no parents will be allowed to board the bus with students as most of the buses are full and better management by escorts.

Q7. Will students have a designated seat on board?

All students will have a designated seat assigned by escorts from the beginning of the school year.
