## SINGAPORE INTERNATIONAL SCHOOL (HONG KONG) PROPOSED BUS SCHEDULE FOR 2026/2027

### NOTE :-

- Pick up schedules for PY1 will be based on actual applications. Parent will be notified before school starts.
- Dismissal buses will depart from SISHK at 3.10pm. If Secondary students will have different dismissal time may consider applying for morning pick up service only.
- If Secondary student would like to change of round trip riding to single trip riding in May and/or June, please inform us by email on or before 31 March.  
Refund will be arranged according to the refund policy as stated in Bus Information.
- The Bus Company reserves the right to cancel any bus route if applications are insufficient.
- August's bus fee (half month) will be levied, if bus service starts from Aug and cancellation applies within Sep to Jan (1st term).

### 6. Fuel Cost Adjustment - 2026/2027 School Year

To ensure reliable bus service despite amid fluctuating fuel prices, a fuel cost surcharge may apply for the 2026/2027 school year.

This adjustment is triggered only when the diesel prices rise and remain above a defined threshold, ensuring fairness and transparency for all families.

#### ➤ How It Works

- The surcharge is based on the **average recorded diesel price** during the applicable observation period, using Caltex pump prices (after walk-in discount) as published by the Consumer Council - Oil Price Watch - Diesel Version - Auto-fuel Price Trend ([Reference: https://oil-price.consumer.org.hk/en/diesel/chart](https://oil-price.consumer.org.hk/en/diesel/chart)).
- The surcharge applies to two 5-month periods : September to January, and February to June. This applies to all round-trip and single-trip bus users.

#### ➤ Notes to Parents

- No surcharge if average diesel price stays below HK\$33/L** - (e.g. @HK\$32.99/L or lower), no adjustment or invoice will be issued.
- Non-refundable except on cancellation** - The surcharge is non-refundable, unless service cancellation according to the policy set out in the Bus Information 2026/2027.
- Pro-rata billing for new bus users** - New bus users will be charged on a monthly pro-rata basis during the bus fee period.

#### ➤ Collection Schedule

- Additional invoice(s) may be issued on October 1, 2026 and February 1, 2027 respectively. The fee will be collected as follows:-

- August's bus fee (half month) will be levied, if bus service starts from Aug and cancellation applies within Sep to Jan (1st term).

### 6. Fuel Cost Adjustment - 2026/2027 School Year

To ensure reliable bus service despite amid fluctuating fuel prices, a fuel cost surcharge may apply for the 2026/2027 school year.

This adjustment is triggered only when the diesel prices rise and remain above a defined threshold, ensuring fairness and transparency for all families.

#### ➤ How It Works

- The surcharge is based on the **average recorded diesel price** during the applicable observation period, using Caltex pump prices (after walk-in discount) as published by the Consumer Council - Oil Price Watch - Diesel Version - Auto-fuel Price Trend ([Reference: https://oil-price.consumer.org.hk/en/diesel/chart](https://oil-price.consumer.org.hk/en/diesel/chart)).
- The surcharge applies to two 5-month periods : September to January, and February to June. This applies to all round-trip and single-trip bus users.

#### ➤ Notes to Parents

- No surcharge if average diesel price stays below HK\$33/L** - (e.g. @HK\$32.99/L or lower), no adjustment or invoice will be issued.
- Non-refundable except on cancellation** - The surcharge is non-refundable, unless service cancellation according to the policy set out in the Bus Information 2026/2027.
- Pro-rata billing for new bus users** - New bus users will be charged on a monthly pro-rata basis during the bus fee period.

#### ➤ Collection Schedule

- Additional invoice(s) may be issued on October 1, 2026 and February 1, 2027 respectively. The fee will be collected as follows:-

6. Fuel Cost Adjustment - 2026/2027 School Year

To ensure reliable bus service despite amid fluctuating fuel prices, a fuel cost surcharge may apply for the 2026/2027 school year.  
This adjustment is triggered only when the diesel prices rise and remain above a defined threshold, ensuring fairness and transparency for all families.

➤ How It Works

- The surcharge is based on the **average recorded diesel price** during the applicable observation period, using Caltex pump prices (after walk-in discount) as published by the Consumer Council - Oil Price Watch - Diesel Version - Auto-fuel Price Trend ([Reference: https://oil-price.consumer.org.hk/en/diesel/chart](https://oil-price.consumer.org.hk/en/diesel/chart)).
- The surcharge applies to two 5-month periods : September to January, and February to June. This applies to all round-trip and single-trip bus users.

➤ Notes to Parents

- **No surcharge if average diesel price stays below HK\$33/L** - (e.g. @HK\$32.99/L or lower), no adjustment or invoice will be issued.
- **Non-refundable except on cancellation** - The surcharge is non-refundable, unless service cancellation according to the policy set out in the Bus Information 2026/2027.
- **Pro-rata billing for new bus users** - New bus users will be charged on a monthly pro-rata basis during the bus fee period.

➤ Collection Schedule

- Additional invoice(s) may be issued on October 1, 2026 and February 1, 2027 respectively. The fee will be collected as follows:-

- The Bus Company reserves the right to cancel any bus route if applications are insufficient.
- August's bus fee (half month) will be levied, if bus service starts from Aug and cancellation applies within Sep to Jan (1st term).

### 6. Fuel Cost Adjustment - 2026/2027 School Year

To ensure reliable bus service despite amid fluctuating fuel prices, a fuel cost surcharge may apply for the 2026/2027 school year.

This adjustment is triggered only when the diesel prices rise and remain above a defined threshold, ensuring fairness and transparency for all families.

#### ➤ How It Works

- The surcharge is based on the **average recorded diesel price** during the applicable observation period, using Caltex pump prices (after walk-in discount) as published by the Consumer Council - Oil Price Watch - Diesel Version - Auto-fuel Price Trend ([Reference: https://oil-price.consumer.org.hk/en/diesel/chart](https://oil-price.consumer.org.hk/en/diesel/chart)).
- The surcharge applies to two 5-month periods : September to January, and February to June. This applies to all round-trip and single-trip bus users.

#### ➤ Notes to Parents

- No surcharge if average diesel price stays below HK\$33/L** - (e.g. @HK\$32.99/L or lower), no adjustment or invoice will be issued.
- Non-refundable except on cancellation** - The surcharge is non-refundable, unless service cancellation according to the policy set out in the Bus Information 2026/2027.
- Pro-rata billing for new bus users** - New bus users will be charged on a monthly pro-rata basis during the bus fee period.

#### ➤ Collection Schedule

- Additional invoice(s) may be issued on October 1, 2026 and February 1, 2027 respectively. The fee will be collected as follows:-

| <u>Diesel price reached</u><br><u>@ (HK\$/liter)</u> | <u>Fuel costs surcharge</u> |                               | <u>Observation Period</u>      | <u>For bus fee period</u> | <u>Invoice will be issued</u> |

## SINGAPORE INTERNATIONAL SCHOOL (HONG KONG) PROPOSED BUS SCHEDULE FOR 2026/2027

### NOTE : -

- Pick up schedules for PY1 will be based on actual applications. Parent will be notified before school starts.
- Dismissal buses will depart from SISHK at 3.10pm. If Secondary students will have different dismissal time may consider applying for morning pick up service only.
- If Secondary student would like to change of round trip riding to single trip riding in May and/or June, please inform us by email on or before 31 March.  
Refund will be arranged according to the refund policy as stated in Bus Information.
- The Bus Company reserves the right to cancel any bus route if applications are insufficient.
- August's bus fee (half month) will be levied, if bus service starts from Aug and cancellation applies within Sep to Jan (1st term).

### 6. Fuel Cost Adjustment - 2026/2027 School Year

To ensure reliable bus service despite amid fluctuating fuel prices, a fuel cost surcharge may apply for the 2026/2027 school year.

This adjustment is triggered only when the diesel prices rise and remain above a defined threshold, ensuring fairness and transparency for all families.

#### ➤ How It Works

- The surcharge is based on the **average recorded diesel price** during the applicable observation period, using Caltex pump prices (after walk-in discount) as published by the Consumer Council - Oil Price Watch - Diesel Version - Auto-fuel Price Trend ([Reference: https://oil-price.consumer.org.hk/en/diesel/chart](https://oil-price.consumer.org.hk/en/diesel/chart)).
- The surcharge applies to two 5-month periods : September to January, and February to June. This applies to all round-trip and single-trip bus users.

#### ➤ Notes to Parents

- No surcharge if average diesel price stays below HK\$33/L** - (e.g. @HK\$32.99/L or lower), no adjustment or invoice will be issued.
- Non-refundable except on cancellation** - The surcharge is non-refundable, unless service cancellation according to the policy set out in the Bus Information 2026/2027.
- Pro-rata billing for new bus users** - New bus users will be charged on a monthly pro-rata basis during the bus fee period.

#### ➤ Collection Schedule

- Additional invoice(s) may be issued on October 1, 2026 and February 1, 2027 respectively. The fee will be collected as follows:-

SINGAPORE INTERNATIONAL SCHOOL (HONG KONG)  
PROPOSED BUS SCHEDULE FOR 2026/2027

NOTE : -

- 1. Pick up schedules for PY1 will be based on actual applications. Parent will be notified before school starts.
- 2. Dismissal buses will depart from SISHK at 3.10pm. If Secondary students will have different dismissal time may consider applying for morning pick up service only.
- 3. If Secondary student would like to change of round trip riding to single trip riding in May and/or June, please inform us by email on or before 31 March.  
Refund will be arranged according to the refund policy as stated in Bus Information.
- 4. The Bus Company reserves the right to cancel any bus route if applications are insufficient.
- 5. August's bus fee (half month) will be levied, if bus service starts from Aug and cancellation applies within Sep to Jan (1st term).

6. Fuel Cost Adjustment - 2026/2027 School Year

To ensure reliable bus service despite amid fluctuating fuel prices, a fuel cost surcharge may apply for the 2026/2027 school year.  
This adjustment is triggered only when the diesel prices rise and remain above a defined threshold, ensuring fairness and transparency for all families.

➤ How It Works

- The surcharge is based on the **average recorded diesel price** during the applicable observation period, using Caltex pump prices (after walk-in discount) as published by the Consumer Council - Oil Price Watch - Diesel Version - Auto-fuel Price Trend ([Reference: https://oil-price.consumer.org.hk/en/diesel/chart](https://oil-price.consumer.org.hk/en/diesel/chart)).
- The surcharge applies to two 5-month periods : September to January, and February to June. This applies to all round-trip and single-trip bus users.

➤ Notes to Parents

- **No surcharge if average diesel price stays below HK\$33/L** - (e.g. @HK\$32.99/L or lower), no adjustment or invoice will be issued.
- **Non-refundable except on cancellation** - The surcharge is non-refundable, unless service cancellation according to the policy set out in the Bus Information 2026/2027.
- **Pro-rata billing for new bus users** - New bus users will be charged on a monthly pro-rata basis during the bus fee period.

➤ Collection Schedule

- Additional invoice(s) may be issued on October 1, 2026 and February 1, 2027 respectively. The fee will be collected as follows:-
